Dear Chair Boozman and Ranking Member Ossoff:

As you consider the Fiscal Year 2027 (FY27) Military Construction, Veterans Affairs, and Related Agencies Appropriations bill, I respectfully request that you consider the attached requests for Congressionally Directed Spending and programmatic funding for federal agencies. These requests will support programs that are critical to the people of New Mexico.

None of the entities for which I have requested congressionally directed spending are for-profit entities. Further, I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you for your consideration of these requests.
